**Please leave us a testimonial and include your name.**

(1/3)

- HG is the source for energy & action! Faustina Vincent
- Christian: I enjoyed the diversity of people and perspectives to solve pressing energy problems.
- Tim with ENGIE. I have been looking for a consortium of intelligent, passionate people to collaborate with on big challenges... and I found it with AEG Chicago.
- Engaging, relevant and urgent action oriented discussions that were well facilitated.
- I recommend participating in every opportunity available. Engaging, empowering and equity. Great for the city of Chicago and the planet.
- Lively and results oriented discussion with top decision makers. I always learn so much and meet amazing people. AEG is
