## STATES ACTIVELY ENGAGED IN PUBLIC PURPOSE MICROGRID POLICIES AND DEVELOPMENT

California [2018 Enabling Legislation](#). California Energy Commission [2017 Draft Roadmap for Commercializing Microgrids](#).

Colorado 2018 Law, [SB18-009](#), affirms electricity consumers' rights to install and operate customer-sited energy storage systems. Xcel microgrid projects [\[Press Release\]](#).

Connecticut [2012 Enabling Legislation](#). Connecticut [Microgrid Program](#).

District of Columbia PSC [Microgrids Working Group Community Page](#). 2015 Report to DC Department of Energy and Environment, [Deploying Clean Energy Microgrids in the Nation's Capital](#). Appendix A: [Microgrid Benefits by Category](#). Appendix B: [Preliminary List of Barriers to Realizing the Full Potential of Microgrids in the District of Columbia](#).

Hawaii [2018 Enabling Legislation](#). Hawaii [PUC Docket 2018-0163](#)

Illinois [Bronzeville Community Microgrid](#). NextGrid Working Group 1 Draft Report and Draft Final Report discuss [microgrid opportunities and challenges](#).

Maryland [2014 Microgrids and Resiliency Report](#). [FY19 Resiliency Hub Grant Program](#). Maryland PSC Public Conference 44: [Transforming Maryland's Electric Grid](#). Montgomery County's [Two Energy Resilience Microgrids](#).

Massachusetts Clean Energy Center (MASSCEC) [Microgrids Activities](#). [Community Clean Energy Resilience Initiative](#). MASSCEC [Energy Resilience Initiatives](#). KEMA Report, 2014, [Microgrids – Benefits, Models, Barriers and Suggested Policy Initiatives for the Commonwealth of Massachusetts](#). Massachusetts [9/26/18 Order](#) in SMART Tariff case, No. 17-140, clarifies eligible projects installed on a microgrid will qualify for incentives.

Minnesota. 2013 Report by Microgrid Institute for Minnesota Department of Commerce: [Minnesota Microgrids: Barriers, Opportunities, and Pathways Toward Energy Assurance](#).

New Jersey [Board of Public Utility Town Center Microgrids](#). [NJ-BPU 2016 Microgrids Report](#).

New York. New York State Energy Research and Development Authority (NYSERDA) [New York Prize Microgrids Program](#). New York State Smart Grid Consortium: [Microgrid \[Web page\]](#); 2015 Presentation [New York Microgrids Initiatives](#).

Puerto Rico [2018 Microgrid Rules](#)

Rhode Island. Office of Energy Resources Report, [Resilient Microgrids for Critical Services](#). Rhode Island [Power Sector Transformation Initiative](#).

U.S. Virgin Islands Power Authority [2018 solicitation](#) for hybrid-microgrid on St. John. 2018 Congressional Research Service Report, [Potential Options for Electric Power Resiliency in the U.S. Virgin Islands](#)

Washington. 2017 Clean Energy Fund Grants [supporting microgrids](#). Seattle City Light 2018 [microgrids solicitation](#).
